Claims 1-3, 5-12, and 14-19 are allowed over the prior art of record and in light of applicant's arguments.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach a communication cost calculating unit that determines a type of failure from among a plurality of types of failures and calculates a communication cost of each route, based on the line condition information in the route and the determined type of failure; and a route selecting unit that selects a route from the plurality of routes based on the communication cost calculated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frantz B. Jean whose telephone number is 571-272-3937. The examiner can normally be reached on 8:30-6:00 M-f.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nathan J. Flynn can be reached on 571-272-1915. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
